## FOUR BRUISED AS AUTO TURNS OVER

Five Geneseo People Have Miraculous Escape From Death in Single Machine Accident Here.

### PINNED UNDER CAR, BUT UNHURT

Dorothy Collins, Daughter of Owner, Is Unscathed When Pinned From Beneath Capsized Vehicle.

Five persons had miraculous escapes from serious injury or death in the single automobile accident of any consequence in Rock Island on July 4. A large touring car, owned and driven by A. Collins, a farmer residing near Geneseo, turned turtle on the Eighteenth avenue hill between Fifteenth and Sixteenth streets in the afternoon. Besides Mr. Collins the occupants of the car were his wife, his daughter, Dorothy, and Mr. and Mrs. George Weinrich, the latter of whom also reside on a farm near Geneseo. All of the passengers in the car were injured slightly with the exception of Dorothy. Although pinned under the car she escaped unscathed. Mr. Weinrich was also pinned under the car, but he was bruised about the head and body. Mr. and Mrs. Collins and Mrs. Weinrich were thrown from the machine and were bruised, although indications are that their injuries will not prove at all serious. The accident occurred in a very peculiar manner. Mr. Collins was unable to explain just how the machine turned over. The engine died on the hill and the car started backing down the incline. The driver made a strenuous effort to apply the brakes, but they

failed to work in some manner and the machine moved down the hill. It skidded and turned over. The injured persons were taken to the home of Mr. and Mrs. W. F. Weinrich, 1105 Fourteenth-and-a-half street. Mr. Weinrich of this city is a brother of Mr. Weinrich of Geneseo. Dr. Joseph De Silva was summoned. He attended to the injuries of the passengers. Last evening they left for Geneseo, the machine having been taken to a local garage for repairs.

**Heavy Auto Traffic.**  
Automobile traffic in Rock Island yesterday was perhaps the greatest in the history of the city. There were several minor collisions on the outskirts, but aside from the accident on Eighteenth avenue none other of serious consequences was reported.

## ADDITIONAL SOCIAL

Close to 300 people enjoyed the annual picnic given by the German Evangelical church and Sunday school at Long View park yesterday. ### CRACKERJACKS HAVE HOUSE WARMING.

Fifteen members of the Crackerjacks Monday evening went to the home of Mr. and Mrs. Albert Swann, Eighteenth avenue and Twenty-sixth street, and carried out a delightful surprise and house warming party. Mr. and Mrs. Swann's marriage was an event of June and they are now nicely located in their new home. The Crackerjacks taking this opportunity to inspect and admire their home. They took with them provisions for a bountiful lunch, that was served during the course of the evening. Later games were played and the evening was much enjoyed. Mr. and Mrs. Swann were presented with a beautiful picture as a gift from the club.

### SORORITY DANCE AT CLUB.

The Delta Sigma sorority dance at the Davenport Outing club Monday night was one of the delightful summer proms much enjoyed by the younger social members of the set of the tri-cities, who were out in full force. The lavender and pink sorority colors in crepe paper and flowers were carried out in decorations, baskets and vases of garden flowers being lavishly used about the reception parlors, on the serving table in the east room and adjoining the ball room where there were light refreshments for the dance intermissions, and about the ball room itself. Miss Helen Fluke of Davenport was the chairman of the committee in charge of the arrangements. Thompson's five-piece orchestra from Madison, Wis., had been secured for the occasion and gave a fine program of music. Their were 60 couples present for the affair. Among the out of town guests were the Misses Beulah and Grace Joehnk of Clinton, the house guests of Miss Helen Fluke, Folwell Coan, Ed and Cecil Mooney, Artemus Gates and Mavin Jacobsen of

Clinton, Miss Florence Folds of Chicago, the guest of Miss Majorie Voile of Moline, who with a trio of friends of Willard Velle from the Coubury, Conn. school, Thomas McCutcheon of Pittsburgh, Newcomb Baker of New York and Hall Smith of Kansas City, Mo., are members of a house party at Villa Velle for the week.

Wemakeit Association of America Will Have Its Annual Session at New Harper Beginning Monday.

### IS COOPERATIVE ORGANIZATION

Association is Composed of One Firm in Each City Which Holds Stock in Two Eastern Factories.

Wemakeit Jewelers of America will lay plans for enlarging their organization at a week's convention which will assemble in Rock Island Monday.

The New Harper will be the headquarters during the convention. All meetings will be held at the hotel. The sessions will be strictly of a business nature. Although there is no set program arranged it is quite likely that a banquet will be held one evening of the week the jewelers are here. One of the factories operated by the association is in Providence, R. I. The other is in Attleboro, Mass. An option on a third plant has been secured and it is likely will be purchased during the week of the convention. A third plant is necessary because of the growth of the association. Solid gold and gold plate jewelry are manufactured.

Each jeweler who is a member of the organization holds stock in the association and the convention here will be in the nature of a stockholders' meeting.

### Manager Arranges Plans.

Harry Adels, manager of the plant in Providence, was in Rock Island today. He is making arrangements for the convention and will remain here until the convention closes. The manager of the Attleboro plant and of the factory on which the association now has an option will also be in attendance.

One of the features of the convention will be the public demonstration of a gold chain machine, which is now enroute to this city. It will be stationed in the window of J. Ramser's Sons' store on Second avenue. Chains will be made from wire and will be given away free as souvenirs to the public.

Paterson, N. J.—"I thank you for the Lydia E. Pinkham remedies as they have made me feel happy and healthy. Some time ago I felt so run down, had pains in my back and side, was very irregular, tired, nervous, had such bad dreams, did not feel like eating and had short breath. It worked from the first bottle, so I took a second and a third, also a bottle of Lydia E. Pinkham's Blood Purifier, and now I am just as well as any other woman. I advise every woman, single or married, who is troubled with any of the above ailments, to try your wonderful Vegetable Compound and Blood Purifier and I am sure they will help her to get rid of her troubles."—Mrs. ELISE J.
